Some difficulties having arisen in the working of the rules contained in Government Order No. 2074-83—R. F. 166-92, dated the 2nd August 1901, regarding the settlement of Inamdars' claims to the excise revenue from toddy of their villages during the tree-tax period, it is proposed to revise them as indicated below and to apply the modified rules for dealing with all cases during the tree-tax period.

(1) To substitute the following Rules for Rules 9 to 15 :—

9 (i) The proprietor of an alienated village who is entitled to excise revenue from toddy shall get only the *revenue actually accruing in his village*, whether in the shape of rent for the shop or shops situated therein, or the tree-tax on the trees tapped in his village (irrespective of the location of the shop for which they are tapped) or both, *minus* the local cess thereon and establishment charges at 6 per cent of the revenue or such other rate as may be fixed from time to time.

(ii) The shop rent payable under the foregoing rule from 1915-16, onwards shall be the amount realised as such in any year subject to the condition that it shall not exceed at any time the average realization from this item in respect of the particular Inam shop during the three official years preceding 1915-16.

(iii) Similarly the tree tax from 1915-16, onwards shall be calculated at the marginally noted rates on the number of trees actually tapped within the limits of the Inam village during each year subject to the condition that if the rate is reduced by Government at any future date, payment shall be made only at such reduced rate for the time being.

This will apply only to cases in which shops belonging to or situated in alienated villages are closed *permanently*.

(3) To substitute for Rule 25 the following :—

"Whenever an Inamdar entitled to excise revenue from toddy is willing to compound his right to shop rent, Government will be prepared to sanction an immediate payment of 20 times the average annual amount actually received by him in respect of that shop during the preceding three years."

2. Before finally passing the modifications, Government will be glad to receive within a period of three months from this date the views and suggestions, if any, of the public thereon.
